What ... is ...

happening ...

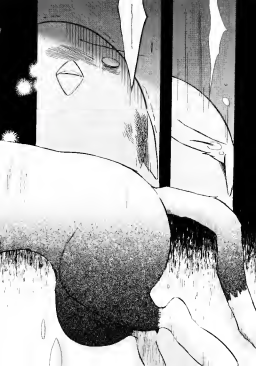

Why did this happen ...

Everything was perfectly fine just few days ago ...

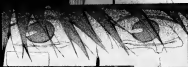

Where did it go all wrong?

Everything is wrong
now. Everything's
broken.

Everything ...

Shattered

Go
some place
better.

I hope you
will be reborn
as something
better also.

Bye now,
Yyoung—

기다려

Yyoung . .

Yyoung —

Don't
go ...

It's all my
fault.

It's all my
fault. Don't
go ...

sob

sob

I will be back soon.

Where are
you going?

Take care of him
for me.

I should have said something
to that girl, cause you should have
waited.

What the ?

Where do you
think you are ?
Get the fuck outta
here !

A
Seong-Ha !

I know you are
there !
Answer me !

Who are you ?

Really !
Who are you ?!

I don't know you
anymore ...
Why would you -

Did you ever know
me anyway ?

Did you ?

What do you
know about
me ?

What's
there
anybody?

What's what?

No ... I -

Mari, do you
have any idea
how much it
hurts him when
you say coldly
like that ?

You are so mean !

What,
you want
to know what
I am telling you,
I-

So much...
What will you
make I am doing
this for you ?

What...
That's his
name. -

What did I learn
and see so far ?

Why didn't I ever
listen to others
seriously at all ?

Why did I simply
ignore them ?

I must have been
hating there.

They must have
gotten tired of my
ignorance.

That
f-

Hey,
stop
that !

Open the
door !

Open the
god damn
door !

You fuck !
If you are going to
go crazy, go do it
outside !

I don't want to
be held
responsible
for what
you do !

I am
warning
you !

Why is everyone
blaming me for
everything ?!

And who
am I ?!
He dared asking
me that ?!

IT'S ALL
YOUR
FAULT !

YOU MURDERED
MY MASTER AND
ME !
AND NOW YOU
EVEN KILLED
YYOUNG !

HOW MUCH
MORE
DESTRUCTION
DO YOU
WANT ? !

I WAS SUCH A
FOOL !
THINKING YOU
MAY HAVE
CHANGED !
YOU ARE MY
NEMESIS AFTER ALL!
I WILL NEVER
FORGIVE YOU !

What does that
have to do
with anything ?!

Why must I be
judged by whatever
the hell I did in my
former life ?!

Damn it !

This is the worst
feeling I've ever had...

I thought it wouldn't change.

Not forever, but I thought it wouldn't change for a long time.

I didn't know it was just my wishful thinking.

The mindset I had
for myself was simply
wrong.

My summer break ended like that.

I apologize for
such a rude
entrance.

I am ...

I know who you are.
You work under the
minister of military
and Gok's mentor.

I see.

Then you must also
know why I am here.

You must be here
to ask me to keep
my mouth shut
regarding his mis-
deeds.

Or are you here to
ask me to flee ?

I understand
your stand
on the matter

But everyone's
lives are
dependent on
your decision.

Your life,
my life,
and Bob's ...

Everyone will
be unhappy.

I do not want
that to happen.

He is sitting at a table, looking directly at the viewer with a neutral expression. The background shows a traditional Korean room with a sliding door (shoji) and a framed picture on the wall.

I would not want
that to happen

However, I cannot
turn my back against
my own country.

I am sorry.

A black and white manga-style illustration of a woman with long, dark hair, looking down with a sad or contemplative expression. She is wearing a dark garment.

I have no regrets
of my own life,
but it seems I will
be leaving you and
facing big burdens.

I resent that
I am powerless
to stop this.

... About Bok

Look after him for me.

Break was over.

And few days passed.

Is Seong-
Ha.

Is he
absent
again?

I haven't seen
Seong Ha ever
since the
incident.

Anyone here
has talked to
him recently?

Something
must have
happened.

He was
never
late, let
alone
absent.

He hasn't come
to the school,
either.

He fell ill for
days after
sending Yyoung
away.

He had really high
fever and was
unconscious for
most of time,
speaking out
Yyoung's name
randomly.

He feared it would
be the last of him,
but -

I am fine, sir

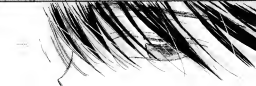

He recovered
eventually.

Chi-Guk and
Hong: Who are
trying hard to
act normally.

And as for me ...

I don't know.

I have no idea
what to do now.

Is your study
done for the
day?

うんうん
うん

Why are you
always blinking.

Come here.

It, I am
fine, yes.

Harry up.
I don't want
people to
notice you.

Why are you
abandoning me
today also ~

Bob's here
today also !

Bob's coming to school now also?

I envy you. I want to be Bob.

Yes, sir.

I could climb on his shoulder, be in his pocket and even sleep together.

Are you feeling alright now?

I am fine.

If I keep being ill, Young in the Heavens will get upset at me —

Gi-Hyeon -

And his minions.

Come over here for a sec.

Teacher?

You are always together. Don't you get sick of each other?

Don't you get sick of the same outfit every day?

He thinks school is his best friend.

Did something happen between Seong-Ha and you ?

His parents told me that he ran away from home.

I cannot get a hold of him at all.

Normally, you'd be running around looking for him, but I see that you are being passive.

So, I figured something happened between you two. Are you hiding him ?

... No, sir.

And you have no
idea where he
might be?

... Yes.

Did you two
fight?

... Yes.

I am not certain -

that what I've been
doing is the right
thing to do.

I am afraid that
my actions
indirectly harm
others.

I just don't want to do
anything.

You see, that's -

We aren't lost! We are fine!

No -!! That is not true!

This is why I didn't let you say anything!!!

Don't mention him in front of our kid!

My kid has done nothing wrong!

For God's sake, go away...

They are telling you that you've done nothing wrong.

Get out!

You are a man.
You have to tough up
in order to survive
in the society.

At this rate,
others will
start calling
you weakling.

If you hurt others,
apologize to them.
If you don't know
if you hurt them,
apologize to them.

Too strong
relationships
that way,
cannot expect
control calling
all the time.

Come on, cheer up.
Don't make my wallet
sad.

What do you think
you are doing ?!

I wonder when
I can become
like him.

So that I will be
able to know how
to react when I hurt
others.

**I want to become
an adult.**

For how long
is he going to
be absent ?

Did something
really happen
to him ?

Is that it
maybe ?

Something just
doesn't really
add up ...
It's bugging me
really.

Damn it,
I can't study.
I can't concentrate.

Did you
break down?

He hated me ...
Why though?

You never
show anything.

Please...
let go of me.

Stay there until
I clean this up.

What am I
thinking
about...

I...

Must have been
harder for Papi...

An abandoned house?

Help me...

G-Ryeon...

Seong-Ha?

Seong-Ha!

yes

Seong-Ha I

Ugh ...

What...

I can't
afford to
have the
world's biggest
like this...

There must
be a reason
why we were
allowed to be
reborn.

A reason why
we were reborn ...

Young!

Can't
you
recognize
me?!

Young!

Open
your eyes!

Sir ...

Please ...
listen to me
now ...

... got ...

Oh...
don't be
too sad.

Oh,
I'm...
you're...
I did

It has haunted
me all my life.

Now that I
pass away
protecting
you..., I will
have no
regrets.

I was reborn to
accomplish this.
You must have
your reason for
your rebirth.

You simply
have forgotten
it for the
moment.
That's all.

What did I wish for
when I died ...

What was
my wish ...

What was my
regret ...

In my
next life...

I swear
I...

I remembered
I remembered
The future
I so desired...!

What is it
all of the
sudden?

I have a
request for
you.

Without
Gi-Hyeon
being here?

Is it about
him?

What
brings you

Did you
come here
to see me ?

...Of course

Let's go together.

He ..., He spoke ?!

I thought
he was a

GOING

BYE

I feel that
I can leave
mortal affairs
behind me

If it's with you.

Let us leave here
and go somewhere
else.

And by doing
so, you can
save your
nani (master)'s
life.

What are you
saying?
I don't
understand.

Really, now.

Depending on
what happens,
everything
can change.

I don't get what you are saying exactly.

I live to serve my country.

That's why I learned swordsmanship from you.

But I cannot leave my master.

Even if it's coming from you, mentor.

If I am to die in the future, it has to be by his side.

I am sorry, mentor.

as I said.

I understand
your intention
perfectly.

From now on,
I will no longer be
your mentor.

What are we going to do after we get there?

Few days ago ...

Please
wait !
Please
listen
to me !

Please !

You little chick !
Why in the world
would I have to
see the jerk
again ?!

For once,
I am with
her !

I beg you.
You are the
only ones who
can help me.

Help...

I am trying to
break the
circle that brings
him bad luck.

Please
assist me.

It's for his
future...

Therefore,
project "Find the jerk"
started.

Bi Seong-Ha

Where is he?!

Find him!

How should I
know?

I suppose he
is living well
somewhere.

Yes?

어제부터...

Yes, Seung-

I am not here to make
jokes with you! I
I've been wanting to
get a piece of you for
some time! Now is a
good time!

If it's a fight you want,
so be it! Bring it on!

Even if I
know, not
gonna
tell you

Are you
nuts? Don't
make a mess!

If you don't
find him in
4 days, my

I figured we'd
stuck in the train,
so I made a
lunch.

Che-Guk,
Hong-Whee,

Yeah!

I can't
guarantee the
taste though.

Kim-bob !
(Kinda like
sushi rolls)

What's for drinks ?
Tea? Soda ?

Go-Hyeon !

Dear, our
Go-Hyeon has
grown up. He
knows how to
treat friends.

Yes, dear !
I thought
he'd be forever
cold to others.

11

Hey,
wait!

You are
going too
fast!

And yet you
can keep up
with him ...

He should
be around
here ...

?

What's ... that ?

Inflexible
and
stubborn,
my least
favorite
type, he
was.

He's been
digging my
history and
plans to
destroy this
family.

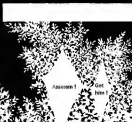

Perish
him for
me.

... Sir,

See, do not
disappoint
me. You've
been doing
good for
me.

Associate I

Get

In the
end,

This is
how it
ends.

Don't you
regret ?

That
way !

and
then

Let us end
this.

It looks to me that
you are the one
who regrets this
outcome.

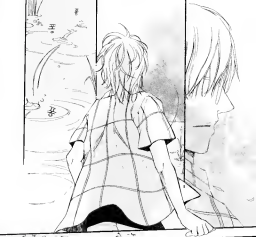

Help me,
resent me,
and -

In the next life,

I shall bear all your
misfortune and
hatred.

Go, please...

Forgive me...

This is where
you ended up
running away
to...

I must say
I am
disappointed.

Your concern for
your old past is
now destroying
your future.

Know that what
happened in your
former life is only
a fragment of
past.

It's...

As long as you are
determined to believe
that your misfortune
was originated by
someone else, you will
never be able to free
yourself from your
misfortune.

I want you to spend
your future brightly.
Only then I will close
my eyes comfortably.

Even I have
realized that
only recently

there were
good memories
to recall
in the past.

I feel that even
our relationship
in the former life
wasn't too
bad.

You were given
another chance
and I hope you
will wisely spend
your life.

Be happy ...

Why ?

Moved

This is just
the beginning.

I bet either

away from each
other or fight.

.....

What's this ?
Are you stalking
me now ?

I didn't come here
to see you, so don't
misunderstand !

Oh, yeah ?

Why are you hiding and running

Quit acting like

It's not bad except for that

So... I finally got to finish this manuscript at last. It certainly took longer than expected, which was most due to its lack of interest from me and readers.

This manga was probably the least popular one among my current active projects, and I certainly did not like it until I hit volume 5.

While volume 1-4 was mediocre at best, volume 5 was better, not by a lot but better regardless.

And it's always better to end a story with upward slope than downward slope.
